

Oi Listen is all about getting good at speaking up.

It's about learning the skills that make good speaking up:

Listening

Thinking

Speaking

Helping

Oi Listen is also about developing the confidence to speak up.

We talk about fun things

We talk about things that are very important to us.

We play games.

We use pictures.

We make films to make sure people hear what we have got to say.

Take a look at our films on the college website:
